

Patterns and What Comes Next

Find the rule, then guess what comes next

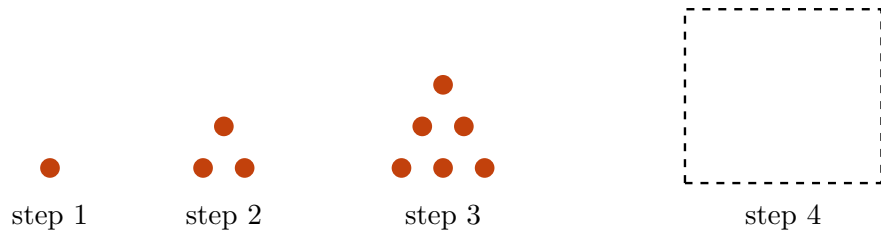

1. Keep the pattern going

Draw the next 3 shapes in each row so the pattern keeps going.

2. The growing triangles

Step 1 has 1 dot. Step 2 has 3 dots. Step 3 has 6 dots. Draw step 4 in the empty box.

Step 4 has _____ dots. Step 5 has _____ dots.

3. Doubling

Each number is twice the one before. Fill in the last two.

1 2 4 8 _____ _____

4. Make your own pattern

Draw a pattern of your own in the boxes. Then tell a grown-up your rule.

My rule is: _____
